Area-3 Sunday schools together conducted a field trip to St.Vladimir Orthodox Theological Seminary in New York City on October 1, 2016. Our children also participated in the event. This was an opportunity for Sunday school children to observe and understand different activities and interact with clergy inside an orthodox Seminary.

Christmas Eve Program was held with great joy and celebration with the help and participation of all Sunday school children, teachers and parents on Dec 24th 2016. Children performed dances, dramas, instrumental music and sang many carol songs during the event. A charity drive called "hats for charity" raised \$125 by Sunday school children during Xmas time. This money was donated to educational expenses of a needy student at Snehasadan in Bangalore.

Sincere thanks to all members of our church for their continued prayers, support and encouragement of our Sunday school. Also on behalf of the Sunday school teachers and students, I express my deepest gratitude towards our Vicar Rev.Fr. Babu. K. Mathew for his consistent care, guidance and prayers that make our Sunday school, the foundation of Orthodox faith.
